

R. B. Box 427
Suffolk, Va.
Sept. 21, 1945

Dear Mr. Malene,

I am enclosing a copy of the
last letter my brother Sgt.
Carlisle D. Jones wrote before
he was listed as missing in
action over Yugoslavia May 18, 1944.
He was stationed at Fontenelle
Landing ground in Italy only
four weeks before his last
mission. We have had no
news from or about him
except that he is being continued
on the status of missing in action.

Respectfully yours
Hildred J. Hyler

Dearest Sis,

Just a note to keep you posted and prevent you from worrying. Don't have too much time to write now.

Am wondering if you get all of my letters, guess you do or you will eventually at least. I am getting yours, but some of the last you write reach me before some of the earlier ones -

I'm sending a few clipping about some of the fifteenth Air Force's raids; so keep them for me, will you?

Have had only one letter from Marjorie and none from the others. Some times I swear I won't even write Hubert again, there's no excuse for them not writing unless they don't care that much. I don't think anyone realizes how alone I have felt since Mama has gone. There
